Bluegrass
& Banjo

Sept. 23-26,
2021

We are excited to announce that the Weiser Banjo Camp and Weiser Bluegrass Music camp are combining into one camp this year! The new camp will bring together students and instructors of all traditional bluegrass instruments in one four-day event. The expanded curriculum will offer classes in 3 finger and clawhammer banjo as well as guitar, fiddle, and mandolin.

Enrollment for each instrument is limited. We will close registration for an instrument as soon as the capacity is reached. A \$100 deposit is all that's needed to reserve your spot. Your deposit is fully refundable for any reason up until July 23, 2021.

Camp registration fee including all music instruction, instructor concert, instructor led jams and meals will be \$375.

What about COVID 19? The health and safety of students, instructors, and staff is our highest concern. We are moving forward with plans for camp understanding that there is a level of uncertainty about the state of the pandemic and vaccine.

Tuition or deposit will be refunded in full if a vaccine is not available and widely distributed. We will reach a decision to hold or cancel camp at the latest on April 20, 2021. If the camp is cancelled, all funds will be returned to enrolled students electronically or by check.
